Activity
Outcome
Outcome
Goal
Funding to organisations supporting young carers and young offenders
Organisations continue or develop employment and education projects
*Young offenders secure stable employment
** Young carers and young adult carers miss less school and record better exam results
Networking opportunities between grantees
Grantees are able to share their challenges and achievements and learn from each other
Grantees can refine their programmes and increase their likelihood of a successful intervention
Capacity building of grantees
Grantees strengthen their core functions
Organisations will be more sustainable and able to plan their programmes over the long term
Sharing learning of what works widely
Better evidence and understanding of what success looks
Sector does more of what works than what doesn't
The lives of disadvantaged young people are transformed
*Reoffending rates for young people are reduced
** Young carers and young adult carers have better education outcomes
