Activity
Outcome
Outcome
Goal
Funding to organisations supporting young offenders
Organisations can continue or develop employment projects
Young offenders are supported to secure stable employment
Networking between grantees
Grantees are able to share their challenges and achievements and learn from each other
Grantees can refine their programmes and increase their likelihood of a successful intervention
Capacity building of grantees
Grantees strengthen their core functions
Organisations will be more sustainable and able to plan their programmes over the long term
Sharing learning of what works widely
Better evidence and understanding of what success looks
Sector does more of what works than what doesn't
Reoffending rates for young people are reduced
