

Trustee shortlisting scores - Young Offender applications 2021

Ref code	Name	Priority area	Region	Grant (£)	Reviewer 1	Comments	Reviewer 2	Comments	Reviewer 3	Comments	TOTALS			
2021-10-YO35	Switchback - 2	N	London	60000	AH	3		SC	3		JW	3		9
2021-10-YO01	3Pillars Project CIO - 1	N	London	50000	KD	2	Need to check who is going to be leading this and the role of the COO who is interim. Like the idea of a recognised qualification in fitness	AH	3		JA	3		8
2021-10-YO09	CatZero Ltd - 1	N	Humber	60000	KD	2	I'm not entirely clear how sailing on a yacht will help you overcome deprivation but perhaps I'm lacking in imagination. I think we need more information about the processes these young people will go through. How will it be measured if we don't fund that part of the project?	SC	3		DF	3		8
2021-10-YO36	Switch Up - 1	N	Nottingham	57069	AH	3		JA	2		DF	3		8

2021-10- YO40	The Turnaround Project - 2	N	N Ireland	57129	KD	2	The project outline for this funding needs a lot more work, but as they've been invited to apply again, I assume they have done good work. Evaluation of the project is correspondingly weak.	DF	3		JM	3	Will also be interested to see how pawsforprogress scores. Based at my old university.	8
2021-10- YO03	Al-Hurraya - 1	Y	Nottingham	60000	KD	1	Think the population served by the charity is very broad and so is the general funding 'ask' – how do we ensure our funding is used to benefit our target population? The website is out of date so I'm not clear who the Trustees are; I'd like to see proper accounts	JM	3		DL	3		7
2021-10- YO11	Clean Slate Solutions - 1	N	Teesside	60000	AH	3		DF	2		DL	2		7
2021-10- YO20	Inside Connections CIC - 1	N	Liverpool	60000	AH	3		DL	2		JA	2		7

2021-10- YO31	Paws for Progress CIC - 1	N	C Scotland	50000	JW	2	It may be that I have unfairly marked Paws down - working with animals, whilst niche, should not be underrated and I would be happy to increase my score of the others thought it was worthwhile.	KD	3	Needs tightening up in terms of results, but love the idea of this. However, I'd like to know more about the relationship with Stirling University and how that works.	DL	2		7
2021-10- YO26	Merseyside Expanding Horizons - 1	Y	Liverpool	58918	JA	1		DF	2		JM	1		4
2021-10- YO33	Sport 4 Life UK - 1	N	Birmingham	53820	JW	1		JA	3		SC	2		6
2021-10- YO46	Wipers Youth C.I.C - 2	N	London	40000	SC	2		JM	2		JW	2		6
2021-10- YO10	CELLS Project CIC - 3	N	Merseyside	56200	AH	1	Not employment targeted however, focused on Liverpool (high need) and some good case studies on the website. Small organisation.	JM	1		JW	3	a very labour intensive project and the others may feel that, impact wise, there is more bang per buck to be found elsewhere.	5
2021-10- YO28	Moving On Employment Project - 1	N	Shetland	60000	JA	1		SC	1		DL	2		4
