

## YOUNG CARERS **STRATEGY**

ACTIVITY	OUTCOME	OUTCOME	GOAL
Funding to organisations supporting young carers	Organisations can continue or develop education support projects	Young carers are supported to avoid lower exam results that their peers and reduce the amount of missed time in school	
Networking between grantees	Grantees are able to share their challenges and achievements and learn from each other	Grantees can refine their programmes and increase their likelihood of a successful intervention	Improved education outcomes for young carers and young adult carers
Capacity building of grantees	Grantees strengthen their core functions	Organisations will be more sustainable and able to plan their programmes over the long term	
Sharing learning of what works widely	Better evidence and understanding of what success looks like	Sector does more of what works than what doesn't
