

Development Grant
Mid-year 3
Progress Update

Please complete all sections of this form ensuring that each answer is no more than 300 words.

In your application you told us what you expected the three key achievements in the first year of your grant to be. Now that you are half way through the year we are keen to understand what is working well and where you may need to rethink or adjust some of your work plan.

Please provide a brief update on the progress that you have made and flag any areas where you may have concerns that could affect the targets you identified.
